

## EXPRESSIONS of worship

### Thank you for your interest in the Expressions Worship Ministry.

Following is a list of Worship Teams currently being formed to enrich the overall worship experience at Trinity Lutheran Church.

The Expressions Music Team is coordinated by Mark Heidloff. The Visual Arts, Individual and Group Presentations, Special Events, and Web/Social Media Teams are all newly formed and are in need of coordinators as well as helpers.

Please read the overview of the teams below. If you are interested in becoming part of the Expressions Worship Ministry as a Coordinator or Helper, or would like a more detailed explanation of any of the teams or positions, please respond to Mark Heidloff at [worship.guy@hotmail.com](mailto:worship.guy@hotmail.com) or phone at 530-4356.

Thank you again for your interest in the Expressions Worship Ministry. We'd love to have you become part of this exciting spirit-filled ministry.

**Music Team** – This team provides the music for the Expressions service.

**Praise Band** – The Praise Band is always looking for gifted musicians (especially brass and woodwinds) who are willing to assist in the musical presentations. Auditions for this group are held weekly at our Saturday morning rehearsal. If you're not able to perform weekly, but can make it to the Saturday rehearsal before the Sunday service, that will work also.

**Praise Singers** – We are always looking for gifted singers as well. Auditions to become part of this group of singers are held weekly at our Saturday morning rehearsal. Once chosen, if you can't make it weekly, no problem, just make it to the Saturday morning rehearsal.

**Praise Choir** – This group consists of people who like to sing. Anyone ranging in age from high school through retirement age (and beyond) is welcome. A musical director for this team is needed first. If you're not a director but want to sing, contact us and we'll put you on the list. Once the director is named, the fun begins!

**Visual Arts & Multi-Media Team** – These are the behind-the-scenes talents that provide all the visual content in the service.

**Visual Arts Coordinator** – This person will coordinate all the activities provided by the Visual Arts & Multi-Media Team. Creative input and production direction experience is important, as

this person will be responsible for the visual presentation of the Expressions service.

**Visual Arts Technician** – This person will provide the creative and hands-on production necessary for all slide presentations, as well as any production necessary for other special visual or print elements provided in the service.

**Media Technician** – This person will assist in providing live audio and video technical support for screen displays in the Sanctuary during the Sunday morning Expressions service.

**Individual and Group Presentation Team** – This team is comprised of those who don't mind putting themselves out in front of the congregation, whether through readings, drama or other "live" events.

**Presentation Coordinator** – This person will coordinate drama, individual and/or group presentations, and various readings during the Expressions service. This person does not need to be part of the drama team, but is responsible for finding, approving, and/or writing scripts, choosing the presenters, and scheduling the presentations.

**Drama Teams** – These are the people who are interested in performing the drama provided in the Expressions Service. Auditions will be handled once the Presentation Coordinator is named. Involvement is on a script by script basis.

**Individual Presentations** – These are people who are willing to read the gospel messages, provide testimonies, or deliver "mini-messages" based upon video presentations or other message related activities.

**Special Events Team** – These teams will be assembled whenever a special event is defined.

**Special Event Coordinator** – This person will assist in defining and coordinating the Special Events that the Expressions Service will provide. Special events are events such as special Holiday presentations and other mission related or event-related worship activities.

**Event Helpers** – These are the people who will carry out the plans provided by the Special Event Coordinator. If you would prefer helping rather than coordinating, please contact us and whenever the Coordinator is chosen you will be contacted.

**Social Media** – This team is comprised of individuals who can make Social Media accessible.

**Social Media Coordinator** – This person will handle the currently undefined Social Media requirements of the Expressions Ministry using various social media forms such as Facebook, Twitter, Wikis, blogs, podcasts, etc.
